AICARR EVENTS IN MCE 2018

AICARR WITH ASHRAE AND REHVA INTERNATIONAL SEMINAR

IEQ (INDOOR ENVIRONMENTAL QUALITY): REQUIREMENTS AND PRACTICES

March, 14th, 2018 Congress Centre Stella Polare—Gemini Room 9,30 a.m. - 1,00 p.m.

REGISTRATION

Participation to the seminars is free of charge. The online registration on the www.aicarr.org website by March 14th allows to get to the AiCARR members in good standing with the membership fee, free admission to MCE valid for all four days of the fair.

On site registration is possible until one hour before the start of each seminar.

AiCARR events during Mostra Convegno Expocomfort 2018 will take place at Fiera Milano Quartiere Rho - Centro Congressi Stella Polare, Sala Gemini

PROCEEDINGS

A few days after the Seminars, participants will receive an email from AiCARR Secretariat with a link to download papers proceedings

CONTACTS

AiCARR Gabriella Lichinchi Tel. 02 67479270 info@aicarr.org www.aicarr.org The international seminar organised by AiCARR with ASHRAE and REHVA is aimed at providing an overall and updated frame of the transformation process involving Indoor Environmental Quality related aspects, with particular emphasis on indoor air, thermal, visual and acoustic quality. A grown attention is actually given to these topics, on one side for the recognized importance of health and well-being of people living in indoor environment and on the other side for IEQ strong relation with energy efficiency issues. The latest trends concerning European Directives, legislation and technical standards, performance indicators, field experiences, new solutions will be here presented and argued for the different domains.

SIMULTANEOUS TRANSLATION IS PROVIDED

AGENDA

10.00 a.m. Welcome addresses

Chair: Valentina Serra, Cultural Committee AiCARR President

Co-Chair: Livio Mazzarella, AiCARR Vice President

Francesca Romana d'Ambrosio, AiCARR President

Bjarne W. Olesen, ASHRAE President Stefano P. Corgnati, REHVA President

10.10 a.m. IEQ as a driver for a sustainable future

Francesca R. d'Ambrosio, AiCARR President

10.30 a.m. Can we meet the ventilation required in international

standards in a energy efficient way? Bjarne W. Olesen, *ASHRAE President*

10.50 a.m. Occupant Driven Thermal Comfort: trends and new

perspectives

Stefano P. Corgnati, REHVA President

11.30 a.m. Lighting: beyond energy efficiency and visual comfort

Laura Bellia, DII, Università degli Studi di Napoli Federico II

11.50 a.m. Matching energy efficiency and acoustic quality: a

challenging task

Giovanni Semprini, Dipartimento di Ingegneria Industriale,

Università di Bologna

12.20 p.m. Round Table: IEQ and energy efficiency in buildings: how to

get the right balance?

Chair: Valentina Serra, Cultural Committee AiCARR President

Co-Chair: Livio Mazzarella. AiCARR Vice President

1.00 p.m. Closing remarks - end of the Seminar
